Professor, Radiology,
Assistant Professor, Neurology,
Case Western Reserve University
School of Medicine

Wei Xiong, MD
Neuro Critical Care, Neurology,
UH Neurological Institute
Assistant Professor, Neurology,
Case Western Reserve University
School of Medicine
The commitment to exceptional patient care begins with revolutionary discovery. University Hospitals Case Medical Center is the primary affiliate of Case Western Reserve University School of Medicine, a national leader in medical research and education and consistently ranked among the top research medical schools in the country by U.S. News & World Report. Through their faculty appointments at Case Western Reserve University School of Medicine, physicians at UH Case Medical Center are advancing medical care through innovative research and discovery that bring the latest treatment options to patients.

PROGRAM AGENDA

OVERVIEW

The University Hospitals System Stroke Update 2016 and 11th Annual Neuroscience Nursing Symposium featuring the Karen Scherr Lectureship is designed to present the current guidelines on the diagnosis, treatment and care of patients with cerebrovascular disorders based on the latest advances in the fields of neurology, neurosurgery, neuro-interventional, neuro-critical care and neuroscience nursing. This information is important to improving the quality of care for our patients and supports our mission: To Heal. To Teach. To Discover.

LEARNING OBJECTIVES

• Summarize the current guidelines on the diagnosis, treatment and care of the stroke patient based on the latest advances in the fields of neurology, neurosurgery, neuro-interventional, neuro-critical care and neuroscience nursing.
• Discuss current options for stroke rehabilitation that foster the patient’s path to recovery

PLANNING COMMITTEE

The planning committee includes physicians and nurses within the Medical-Surgical Nursing Department and UH Neurological Institute at UH Case Medical Center.

Cathy A. Sila, MD, FAHA                   Edward Kuzma, BSN, RN
Julie Fussner, BSN, RN, CPHQ, SCRN       Kelly Montgomery, BSN, RN
Danielle Sindelar, MSN, RN, CMSRN         Ann Phillips, BSN, RN
Erin Supan, MSN, RN, CNS, CNRN

ACCREDITATION STATEMENT

Case Western Reserve University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Case Western Reserve University School of Medicine designates this activity for a maximum of 6.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

3 p.m. Lessons from TEAM: What our Patients Need to Hear from us to get Healthier Martha Sajatovic, MD

3:30 p.m. New Anticoagulant Therapies and Stroke Prevention with Atrial Fibrillation Sophia Sundaranan, MD, PhD

4 p.m. Sleep Apnea and Stroke John Andrejczyk, MD

4:30 p.m. Q&A for the three speakers, wrap-up and course evaluation

POLICY DISCLOSURE

The policy of Case Western Reserve University School of Medicine CME Program requires that the Activity Director, planning committee members and all activity faculty (that is, anyone in a position to control the content of the activity) disclose to the activity participants all relevant financial relationships with commercial interests. Disclosure will be made to activity participants prior to the commencement of the activity. Case Western Reserve University School of Medicine CME Program also requires that faculty make clinical recommendations based on the best available scientific evidence and that faculty identify any discussion of “off-label” or investigational use of pharmaceutical products or medical devices.

7:30 a.m. Registration and continental breakfast
8 a.m. Prehospital Assessment and Triage for Stroke: ASLS Training
Jeffrey Luk, MD
8:30 a.m. Update on Intravenous Thrombolysis: Revised Criteria and Challenging Scenarios
Cathy Sila, MD
9 a.m. Update on the New Guidelines for Endovascular Therapy for Acute Ischemic Stroke
Jeffrey Sunshine, MD, PhD
9:45 a.m. Q&A for first three speakers
10 a.m. Break
10:15 a.m. Treatment of Intracranial Aneurysms: Clipping vs. Coiling
Yin Hu, MD
10:45 a.m. Update on the Management of Intracerebral Hemorrhage
Wei Xiong, MD
11:15 a.m. Contemporary Management of Asymptomatic Carotid Stenosis and CREST-2
Vikram Kashyap, MD
11:45 a.m. Q&A for second three speakers
12 p.m. Box lunch provided
Visit the exhibits and quality improvement posters
12:30 p.m. Keynote Lunch Speaker: Stroke Rehabilitation and the Path to Recovery
John Chae, MD, MetroHealth Medical Center
1:30 p.m. Rehabilitation therapy demonstration
1:45 p.m. What We Can Learn from our Stroke Survivors: Patient Experience
Moderated by Cynthia Griggins, PhD, with Q&A
2:30 p.m. What We Can Learn from a Special Caregiver: The Karen Scherr Award
Break
3 p.m. Lessons from TEAM: What our Patients Need to Hear from us to get Healthier Martha Sajatovic, MD

3:30 p.m. New Anticoagulant Therapies and Stroke Prevention with Atrial Fibrillation Sophia Sundaranan, MD, PhD

4 p.m. Sleep Apnea and Stroke John Andrejczyk, MD

4:30 p.m. Q&A for the three speakers, wrap-up and course evaluation
