2014-2015, 9 Month, Paramedic Program Course Announcement

This 974 hour Paramedic Course follows the NEW Ohio Division of EMS 2012 Paramedic curriculum requirements (oac 4765-17-04) and the current National EMS Education Guidelines. The Students that successfully complete this program are eligible to test for certification by the National Registry of Emergency Medical Technicians. Upon receipt of the NRP certification, candidates may make application to the Ohio Department of Public Safety Division of EMS for Ohio paramedic certification.

The course format will utilize blending of classroom sessions and books, e-learning tools and on-line course supplements, and the following traditional academic formats: In classroom Didactic and Laboratory- 544 hours, Preceptor assisted Field Internship and Clinical - 430 hours.

The UH Geauga Medical Center Paramedic Program prides itself on its commitment to student success, its innovative strategies for student learning, and its unique clinical preceptor program. Because of the school’s tight integration with Geauga Hospital, each student will have assigned preceptors dedicated to enhancing the student’s clinical experience and overall professional success.

This course includes the following nationally recognized courses for certification: American Heart Association Basic Cardiac Life Support (BCLS), Advanced Cardiac Life Support (ACLS), and Pediatric Advanced Life Support (PALS)* International Trauma Life Support (ITLS)* and Advanced Medical Life Support (AMLS)*

*PALS, ITLS, and AMLS certifying classes are scheduled near the end of each program and are dependent upon dynamic time constraints. In the event that any of these courses are not included in the paramedic program, the University Hospital’s EMS Institute will offer any passing student enrollment in any course not provided, free of charge as regularly scheduled by the institute. The course must be taken within one year of program completion and must be a course with open enrollment.
Classes will be held on Tuesday’s and Friday’s from 09:30 until 17:30 beginning on Tuesday, September 2nd, 2014 and ending on Friday, June 12th, 2015. The first four weeks of the course will be dedicated to Anatomy, Physiology, and Medical Terminology. As required by Ohio law, this introduction to the Paramedic Course is a “prerequisite” for all other portions of the Paramedic Course. Internship and Clinical hours will be scheduled around these classroom times. Classes will initially be held at:

University Hospitals Woodiebrook Education Center
Woodiebrook Gables Plaza
602 South Street - Suite #C4 Chardon, OH  44024
